Bath fittings and accessories

LIVING A QUALITY
experience

Product Price Guide
Aug-2024

CERTIFICATION

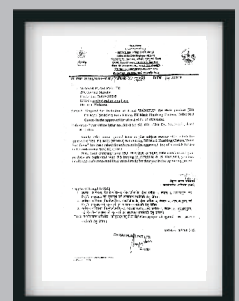

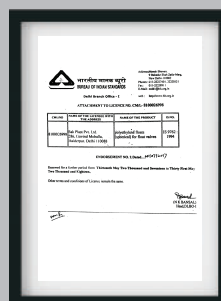

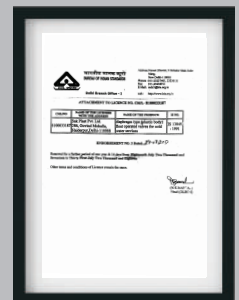

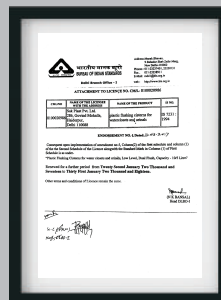

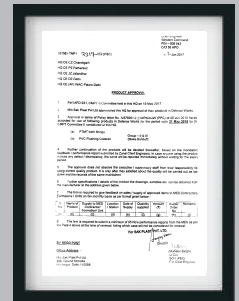

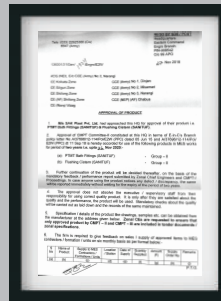

Advanced Technology, First class Materials and Perfect design.

Each day we visit our intimate space - an agile and functional ambience that excites our emotions. For 'SANITUF' style, quality and effective ergonomics alone are not enough to enhance the personality of our bathroom.

The desire to go beyond the high offered by modern technology has opened new doors to design, with innovative forms that enhance the feeling of the objects that surround us and that furnish our bathrooms. As materials and product reliability reach new levels of perfection, the creativity of modern age designers discovers new targets and reinvents the 'SANITUF' Bathroom fittings

Enduring quality. Superior craftsmanship. Timeless style.

Bathroom Fittings designed to last the test of time. **SANITUF** crafted with outstanding materials to give your bathroom the finishing touch you desire. With the choices and options you need to spark your imagination and beautifully complement your decor.

STAINLESS STEEL

Add up how much time you spend at your kitchen sink. Filling pots, preparing veg, washing up after a big meal. It's a place you will stop at countless times each day, so why not choose a sink that exceeds your needs in terms of quality, design and features?

SANITUF sinks have been designed to fit every type of kitchen scheme, with a range of innovative, modern designs perfect for your space. You can choose between a sleek, hardwearing stainless steel model or a super-durable composite available in two contemporary colors. You will find compact models with integrated drainers, large double sinks for when you need to spread out, and chic built-in sinks that fit flush to your work top.

CORNER SHELVES

Corner shelves are specialized storage units designed to fit into the corners of rooms, optimizing space utilization and adding aesthetic appeal. They are a popular choice in various settings, including homes, offices, and commercial spaces, due to their ability to make use of otherwise underutilized areas.
